

## The Advanced Technology Center (ATC)

409 Silver Lane  
East Hartford, CT 06118  
Phone: 860.610.0478

The ATC is located at the Raytheon Technologies Research Center which is adjacent to the Pratt & Whitney Campus. CCAT is across the street from Cabela's and you will see a "CCAT Advanced Manufacturing Center" on the outside of the brick building with a blue awning in the front.

Most GPS systems using our address will not get you directly to our building. Please use this Google Maps link and the directions provided

### From Points North of Hartford

Follow I-91 South onto I-84 East. Take Exit 58 (Roberts Street/Silver Lane). Turn right at the end of the ramp onto Roberts Street. At the first intersection, go straight across into the Raytheon Technologies/Pratt campus on East Hartford Boulevard North.

### From Points South of Hartford

Follow I-91 North to Exit 29 (Charter Oak Bridge/Routes 5/15/84). Take Exit 91 (Silver Lane). Turn right at the end of the ramp onto Silver Lane. At the second light, turn right into the Raytheon Technologies/Pratt campus onto East Hartford Boulevard North.

### From Points East of Hartford

Follow I-84 West to Exit 58 (Roberts Street/Silver Lane). Turn left at the light at the end of the exit ramp onto Roberts Street. Go straight through the next light. At the next intersection, go straight across into the Raytheon Technologies/Pratt campus on East Hartford Boulevard North.

### From Points West of Hartford

Follow I-84 East to Exit 58 (Roberts Street/Silver Lane). Turn right at the end of the entrance ramp onto Roberts Street. At the first intersection go straight across into the Raytheon Technologies/Pratt campus on East Hartford Boulevard North.

### From the Entrance of the Raytheon Technologies/Pratt Campus to the CCAT ATC

Follow the main road, the UCONN/Rentschler Field stadium will be on your left and move into the right lane. At the first light (you'll be looking at Cabela's) turn right. At the next light turn right into the Raytheon Technologies Research Center's main entrance. Follow the drive to the front of the Raytheon Technologies building and turn left at the stop sign. Follow the drive and you'll see the CCAT entrance with the blue awning and "CCAT Advanced Manufacturing Center" sign on the building.

**Parking:** CCAT visitor parking spaces are in the front and general parking spaces across from them. If all visitor and general parking spots are taken, please follow the driveway to the right and park in any of the CCAT reserved spaces along the fence. Please park only in the CCAT designated parking areas. Do not park on the grass or in any numbered parking spaces that are reserved for Raytheon Technologies/Pratt personnel.

*CCAT is an ITAR facility and all visitors at CCAT's Advanced Technology Center will be required to sign in and present proof of citizenship. Acceptable forms of identification include: verified license/ID, passport, green card, or birth certificate. Visitors who are citizens of an embargoed country and do not have a valid US Green Card will not be permitted in the facility. CCAT follows current Covid protocols and masks are required for all non-vaccinated persons.*
